

## **PE PREMIUM FUNDING**

### **REPORTING TO PARENTS AND CARERS**

The school is allocated money from the Government in order to improve the health and well-being of pupils and increase participation in School Sport. Schools are able to spend the PE Premium as they see fit, however, we are accountable for how we spend it and the impact it has had on increasing participation in school Sport and more importantly, we believe in raising standards for pupils.

We are committed to meeting the needs of all our pupils and this philosophy underpins all our teaching and learning principles.

#### **PRINCIPLES**

- We ensure that teaching and learning meets the needs of all children;
- We are committed to delivering high quality PE and school sport;
- We ensure that the money we spend ensures the sustainable improvement in PE provision;
- In making provisions we ensure that there is a broad and balanced PE curriculum;
- We also recognise that for children to become proficient and lead long term healthy lifestyles Physical Education should be taught in curriculum time and supported by out of hours learning opportunities for all.

PE PREMIUM ALLOCATION FOR 2016/17 was £8,500

### TARGETED PROVISION

- Continued commitment to professional development in PE
- Continue to provide high quality coaching in sport – Curriculum and extra-curricular
- Provide pupils with training to become play leaders in order to run lunchtime activities
- Subsidise swimming lessons to Provide all year 5 pupils with at least 10 weeks of swimming lessons
- Sign up to Children's University
- Teacher release – to continue working as part of the sports partnership and giving additional opportunities for pupils to be involved in a range of sporting competitions and festivals (fully inclusive).

### IMPACT

- Football coaching from a specialist coach was very successful last year. Fifteen or more boys regularly attended the weekly club, enabling us to enter 'A' and B teams, which in turn contributed to the boys reaching the semi-finals in the District tournament.
- The Cricket strip was installed during the summer of 2016. It enabled pupils to use within curriculum time, predominantly by KS3 and the whole school during extra-curricular clubs. It enabled pupils to be more prepared for fixtures and also gave them the opportunity to practice with a proper cricket ball. The KS3 team reached the semi-finals of the District tournament for the first time.
- Every child in year 5 received 10 weeks of swimming. Every child is now water confident with 98% now able to swim at least 5meters or more.
- 15 pupils across the school have now been trained to be play/lunchtime leaders. This is still in its early stages but has given pupils more activities to get involved with during lunchtimes, with the addition of £250 worth of new kit bought.
- The school has employed sports coaches to assist within lessons. We have used high quality coaches who have worked with a variety of pupils in their specialist areas. This has given PE staff the

opportunity to work with some of the more disengaged pupils in order to 'close the gap'.

- As a school we achieved School Games Mark Silver Award. This included over 40% of pupils taking part in extra-curricular activities and competitions through teacher release on a Friday afternoon through the sports partnership.
- Through our professional development, we have had two members receive the Level 5 Certificate in Primary School Physical Education Specialism. This has allowed us to reflect on the provision of PE within our school and how best to cater for every child.
- The school is a Children's University which has continued to support a high uptake and regular attendance of different groups of Key Stage 2 children joining extra-curricular sports clubs.

**PE PREMIUM ALLOCATION FOR 2017/18 is approximately £16000**

#### **SCHOOL PRIORITIES FOR THIS YEAR**

- Commitment to continued professional development in PE;
- Put at least one member of staff through their mini-bus licence;
- Continue to support the finance of Children's University;
- Continue to provide high quality coaching in sport;
- To finance extra-curricular sports clubs including participation in competitive fixtures;
- To continue to target and support the most vulnerable pupils to ensure they can access the PE curriculum.
