

Weekly Update Friday 14th July

Principal's message

This week has been all about transition and taking the next step; we have welcomed our new pupils and staff into school for the move up days and begun the process of looking forward to September. Next week will be more about saying thank you and goodbye to children and some key adults who have made Church Hill what it is.

We have welcomed Mrs Knowles, our new Science lead teacher, and Mrs Terry, our new Vice Principal, to the team this week. They have been impressed with the school and particularly the sensible attitude of the pupils. They are both excited to be joining the team and getting stuck in next year.

After a successful Condover residential trip last week, Year 6 are excited to be going on their residential next Monday to round off the year and celebrate some outstanding SATs results. We are extremely proud of their hard work and effort over the course of the last 12 months - they have done themselves, their parents and carers, and us, proud.

Have a great weekend - we look forward to seeing you all on Monday!
